...Helping People Breathe Better...

Asthma Seminar for Health Professionals

Come and hear the latest from Respiratory Specialists, Paediatricians, Immunologists and Asthma Educators.

The Asthma Seminar for Health Professionals is a full day seminar that aims to increase awareness of current asthma management protocols in a variety of settings. We encourage all health professionals to come along and update their skills.

Topics can include:

- Physiology of asthma
- Achieving best lung function
- Spirometry/peak flow monitoring
- Acute asthma
- Asthma education
- Childhood asthma
- Trigger management
- Medications and delivery devices
- Asthma and allergy
- Asthma Foundation services & resources

2007 Dates: Thursday 6th September or Thursday 8th November

8.30am - 4.30pm

The Asthma Foundation of WA, 36 Ord St, West Perth

Resources and morning tea provided

\$99 per person
